Discussion/Possible Decision RE: Addendum to the Fire Department By-laws

G. Hartman has written an addendum to the Fire Department by-laws stating that to be eligible to go on a call-out, the fire department members must attend a minimum percentage of trainings. Incentive pay will only go to those members that go on call-outs. Ken stated that his only concern is that if someone is unable to attend training due to work issues he doesn't want to penalize them. G. Hartman stated that he sees that instance as an excused absence but this is for the people who are not attending trainings because they don't make the time and it is a liability if they go on a call and hurt someone.

G. Hartman would like to vote on it tonight and the fire department can look at it at the next meeting and come back if changes are needed.

Motion by Turgeon to approve Addendum A to the Crescent Fire Department By-Laws. Seconded by Hartman. All aye. Motion carried.

#### NEW BUSINESS

Turgeon stated that he spoke with Don Kress and they are working on maintaining some of the equipment and changing some of the snow plow blades due to wear and tear.

Connie Anderson stated that on the website there is a spot to sign up for notifications and she hasn't received any notifications since signing up.

Greg Zeske asked if there is any plan to have a link or spot for fire department/first responder on the website. He would like to add a form for first responders to be able to download. G. Hartman requested that we put a timeline on getting the website updated and completed. He would like to see it completed by next month and if it is not completed by next month we will have to look at an alternative.

G. Hartman and Turgeon will not be available next month on the 14th. The meeting will need to be rescheduled to February 8, 2012 at 7:00 pm. The change will be confirmed with Treder.
