OLD BUSINESS

Discussion/Possible Decision RE: WPS Bill

Hartman stated that we received another bill from WPS for the transformer that was hit last year. Hartman stated that he has spoken with a supervisor from WPS and explained that our plow truck did not hit the transformer, that the transformer is on Town property and they did not get a permit to place the transformer in that location and therefore we are not responsible for any damage.

Motion by Turgeon to send the letter to WPS as written. Seconded by Hartman. All aye. Motion carried.

NEW BUSINESS

Discussion/Possible Decision RE: ATV Ordinance/Opening roads off Cty N

Hartman stated that we received a request by the Crescent ATV club to open ATV routes on Sterling, Silver Pine, Oak, Beyer, Rocky Shores, Spur Lake and N. Wausau. The intent is to attempt to get the County to open County N. Hartman stated that his initial thought is that we approve opening the roads. This is the second month that it has been discussed at a Board meeting. He would like to wait one more month to give people a chance to express their thoughts before making a decision. Discussion will be tabled for next month.

Discussion/Possible Decision RE: Animal Shelter

The Rhinelander Animal Shelter sent a letter last month informing the Board that they will not be charging municipalities for animals that are brought to the shelter from the Town. The shelter is asking that the town consider donating a portion of the money that was budgeted in 2013 for those charges. Hartman stated that he doesn't believe the Town should make donations to organizations.
